

Planning is easy...  
for your golf tourney

Tournament  
Package

### The Scenario

You are responsible for planning and staging this year's golf tournament. You want everyone to have a great time, but you will be too stressed to crack a smile, let alone play to your handicap. Sound familiar? It doesn't have to be that way.

At Sawmill Creek Golf Resort and Spa we offer a complete tournament package that takes the burden off your shoulders and ensures success for every aspect of your event.

Our golf professional partners with the event organizers to deliver a professionally run, thoroughly memorable tournament at one of the areas finest golf facilities.

### The Golf Course

We are well known for the calibre of our golf course — Lambton County's only championship links-style layout. The greens of "The Saw" are fast and receptive, the fairways are well manicured and with four sets of tees, there is a suitable challenge for golfers of every skill level.

### The Service

From the moment your guests arrive and are greeted in the parking lot by our limo shuttle, to the time they are thanked and wished good night by the food and beverage team, your guests will be treated with the exceptional service for which our resort is known.

### The Facilities

Your guests will be extremely impressed when they arrive at the resort. Simply stated, there is no other facility in the area as impressive as this one. If you are looking for a wow factor, we have it!

A quick list of facilities at your disposal include a full-service practice area, a beautiful swimming pool with cabana, an outdoor event tent, a fun-filled pub, and a gorgeous ballroom complete with lounge and patio. We even have seven hotel rooms and a world-class spa!

### Let Us Sweat All Of The Details!

At Sawmill Creek, we pride ourselves on being easy to deal with and going the extra mile for every event, so that even the host has a great time. Please call (519) 899-4653 ext. 289 detailed information.
